Sheldon Chumir Foundation for Ethics in Leadership

Position: Senior Program Director

The Foundation

The Sheldon Chumir Foundation for Ethics in Leadership is a non-profit, non-governmental organization devoted to the betterment of society through the encouragement of leadership motivated by high ethical purpose.

The Role

To act as second in command to the President of the Foundation; to design, lead or participate in projects according to priorities established by the President together with the Board of Directors; to supervise Interns; to assist the President in the development of human resources and other management policies for the Foundation.

The Candidate

- University level training in ethics, especially applied ethics, is strongly preferred; a law degree is also preferred;
- Can come from a variety of different backgrounds, including not-for-profit, academia, government, business;
- Demonstrated commitment to ethics in leadership and applied ethics;
- Ability to work well in a small, non-hierarchical office;
- Experience working with community groups would be an asset;
- Experience working in teams and collaboratively would be an asset;
- Management skills will be important – goal setting, planning, setting priorities, organizing;
- A very high level of written and spoken English is essential;
- Experience in public speaking in a variety of settings, including on radio and TV is desirable;
- Good research skills are essential.

Salary will depend on the background and experience of the candidate selected.
