**The Chamber Presents Rik Parkhill, President, TSX Markets, TSX Group
Of Oil and Opportunity**

Calgary, AB – When markets turn and governments shift gears, it is easy to forget that our opportunities are as great as ever. TSX Group's exchanges have played a central supporting role in transforming our unique resource heritage into a source of powerful economic growth and global strength. Now, TSX Group is positioning themselves for an even bigger role as they integrate cash and derivatives trading, add new futures products and provide market based systems designed to transform some huge challenges into opportunities in their own right.

The question now is whether we want to be ahead of the curve or behind it--leading in the search for solutions or fighting a rear guard action in defence of the status quo. Join the Chamber as we present Rik Parkhill, President, TSX Markets, TSX Group for a breakfast event on March 13, 2008.

**WHERE: The Calgary Chamber of Commerce
4th floor, 100 6th Avenue S.W.**

WHEN: March 13, 2008, 7:30 a.m. – 9:00 a.m.
8:00 a.m. Breakfast Presentation
